# Bhashik Skill Development

**Where there is a "Skill" there is a Way.!**

**Sukhadha Bhalerao Kakade**  
**Director**

**Doesn't it catch your eye when the surface of a wooden table is well polished?**

**Skill development is similar to surface polishing. It's a bright spot in your professional life. Whether you choose to work for someone else or start your own business, skills are what will help you decide what you are good at and what will get you through difficult times.**

## WHAT DO WE DO?

Bhashik Skill Development greatly enhances your skills and makes you proficient in a variety of languages. Aligned with the Government of India's skill development policies, such as the Swayam Rozgaar, Bhashik Skill Development promises you an increase in your income with enhanced skill sets through our customised programmes in a variety of languages.

## HOW WE DO IT?

We provide skill development and enhancement solutions by being present at all stages of the program. We are a group of experienced teachers and personnel who can assist you in learning in your mother tongue. We offer a variety of services and skill development programmes that can be tailored to your specific requirements.

We provide excellent verbal and written communication in foreign languages in addition to human resource recruitment and management, accounting and taxation, customer support, market research, local procurement, and an internal communication system.

We also provide on-the-job training in a variety of industries, including the stock market, insurance, mutual funds, import-export, accounting (tally software, microsoft office), taxation, GST, management, catering, plumbing, electrician, and personality development..

## WHO IS BENEFITTED?

- Students in the eighth and higher grades who are enrolled in schools or colleges.
- Organisations looking to train its employees .
- Those looking for a finishing school for corporate etiquette.
- An entry-level professional.
- Suitable for all advanced courses designed to meet the specific needs of students and corporations.
- Helps you explore the scope and understand the needs of each individual student in order to determine the level of abilities, situation-based communication for real-life scenarios, business etiquette, basic business gestures and spoken skills, as well as soft skills such as body language, to be prescribed.
- A student who is about to make a decision about furthering his or her education.

## WHY US?

We help you develop skills at the grass-root level. Learn vocational skills to begin your entrepreneurial venture wherever you are – you don't have to come to the city to set up your business.

Even in villages, you have equal opportunity and scope to begin any business and Bhashik Skill Development helps you with that. Customized tailormade programs for skill development anywhere in India.

Learn a foreign language, but not necessarily in English. Learn it in your local regional language which you are comfortable in.

Finishing school also develops the course design as per real life practical scenario which helps the student understand how to tackle real life situations and conversations in foreign languages as well.

This helps those who are working for global organizations or MNCs that require communication in different languages for ease in business.

We also offer skill development courses for career enhancement. For example, someone who is very good with photography, we provide skill enhancement skills in social media so as to allow the photographer to leverage his business further to a larger audience and prospective clients.

We offer good practical knowledge combined with theoretical understanding of various skills including language skills.

## WHEN DO YOU NEED US?

Get a competitive advantage with our customised skill development courses. We ensure that you will be able to negotiate better and higher pay with your prospective employer. By making an effort to become fluent in any foreign language, you can assist your organisation in reaching international markets by facilitating communication exchange.

## WHERE?

Classes will be conducted Online/Virtual Classrooms.
